

STREAMGRAM

Action Needed to Help Streams

Join the AmeriCorps Stream Team

The Missouri AmeriCorps Stream Team Project will place 12 Assistants in 7 communities to work with local watershed sponsors on providing support, outreach, education, training, and mentoring to local Stream Teams and their members.

The project is hosted by the Missouri River Communities Network with the support of the Missouri Department of Conservation, the Missouri Department of Natural Resources, and the Conservation Federation of Missouri.

Full-time AmeriCorps Members complete 1,700 hours of service in a 12-month period and receive \$10,900 per year in living expenses, plus health benefits, and (if service hours are completed) an education award of \$4,725.

Half-time members complete 900 hours of service, with \$5,771 in living expenses, and (if service hours are completed) an education award of \$2,362. All compensation and education awards are considered taxable income according to the IRS. The next service year starts September 4, 2007, and will continue through August 31, 2008.

We are recruiting for full-time and part-time positions in St. Louis, Columbia, Kansas City, Springfield, Kimberling City, Cape Girardeau and West Plains. The Assistants will receive training on water quality monitoring and other Stream Team activities, and will work with a diverse array of citizens, businesses, community leaders, and agency professionals.

If you are interested in becoming an AmeriCorps Stream Team Assistant, please send your resume and a cover letter (via email if possible) explaining why you want to be an AmeriCorps Stream Team Assistant to Steve Johnson, Missouri River Communities Network at manitobluffs@gmail.com.

Or mail the same to: Steve Johnson
200 Old Highway 63 South Ste 203
