

HAPPY BIRTHDAY STREAM TEAM!

Stream Celebration Weekend Registration Form

Come enjoy a weekend on the river and help us celebrate our 20th Birthday!

Saturday, we plan to **FLOAT** the Gasconade River from "The Rock Slide" vicinity to Waynesville at the mouth of the Roubidoux. This is the land of **STREAM TEAM #1** . . . fitting, don't you think! **Festivities will begin early afternoon on Saturday and conclude by noon on Sunday. Come for all or any portion you'd like!**

On our way down this stretch of 3.5 miles of river, we'll gather trash and learn along the way. (The Roubidoux Fly Fishers Association and Fort Leonard Wood Seabees Detachment will help with an additional cleanup on the Roubidoux.) The take-out location where festivities will await is near Waynesville City Park. All shuttling will be provided. Stick around for **BBQ, MUSIC, CAMPING, and FELLOWSHIP!**

Sunday, we'll enjoy a hot breakfast, then rotate through your choice of several **LEARNING STATIONS**. Choose from water quality inverts and chemistry, fly fishing, crayfish ID, fish ID, freshwater mussels, outdoor photography, birding and more.
