

You Are Invited . . .

Stream Team will be hosting a Summit for all Teams in Boone County and YOU are invited. This will be a chance to learn about Boone County streams and network with other Teams!

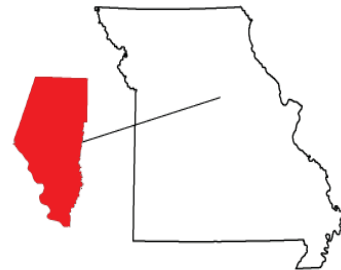

Saturday, March 6, 2010

Columbia, MO

9:00 a.m. - 2:00 p.m.

Boone Electric Coop, 1413 Rangeline St.

Take exit 127 off I-70, turn south and continue to the third driveway on the right (west) - watch for the signs!

Lunch is on us! (Please let us know when you RSVP if you prefer a vegetarian option or have special dietary needs.)

Please RSVP by February 19, 2010 by contacting Amy Meier at 573/522-4115 ext. 3166, 800/781-1989 (voice mail) or Amy.Meier@mdc.mo.gov.

Agenda topics will include:

Hinkson Creek Hydrology

New Stream Buffer Ordinance

How To Report Stream Pollution

Impaired Streams in Boone County

Boone County Underground - Geology, Land Use, and Groundwater

Facilitated Session

* What are some frustrations and concerns among Stream Teams?

* How can the County and Stream Teams work together?

Displays from local groups featuring their efforts and accomplishments

Volunteer monitors: If you have expired reagents or waste, bring them to the Summit and we will dispose of them properly. If you need replacement chemicals, we can get them ordered for you!
