## *Workshop Announcement*

## The Stream Team Academy is proud to announce: **An Introduction to Mussels**

Saturday & Sunday, July 13-14, 2013 (Optional field trip Sunday)  
Missouri State University in Springfield, Missouri

This workshop will cover the basics of freshwater mussel biology, identification, and conservation issues, and will include lecture and lab time. An optional field trip will be held Sunday on the Pomme de Terre River (pending water levels and flow conditions) for those interested in experiencing live mussel sampling. Transportation will be available to the field trip location.

The workshop will be held in Temple Hall on the Missouri State University campus in Springfield and will include presentations by Missouri Department of Conservation biologists Steve McMurray and Travis Moore as well as other partners. Participants will receive a variety of educational resources, including a copy of the book *A Guide to Missouri's Freshwater Mussels*.

You will be responsible for your own lodging and meals. Information on local hotels and restaurants will be provided to all who register.

To register, please contact Naomi Gebo at [naomi.gebo@mdc.mo.gov](mailto:naomi.gebo@mdc.mo.gov) or call 573/522-4115 ext. 3598 by **June 24, 2013**. Please indicate whether you plan to participate in the Sunday field trip. Class size is limited and seats will be filled on a first-come, first-served basis. You will receive a letter of confirmation containing detailed information about the workshop, including an agenda and map to the workshop location, after you register.

Registration  
Deadline is  
June 24<sup>th</sup>!!!
