Announcing:

Plywood Canoe Building Workshop

Hosted by Scenic Rivers Stream Team Association
Prairie Fork Conservation Area – Williamsburg, MO
August 24-25, 2013

CANCELED

Would You Like to Build Your Own Canoe?

Come join Scenic Rivers Stream Team Association at Prairie Fork Conservation Area August 24-25, 2013 as we build two plywood canoes. This two-day workshop will teach you how to create your very own 15-ft. plywood canoe! Canoe building plans and a list of supplies will be provided to all registered participants. Work clothes and shoes are recommended.

There is a \$45.00 per person registration fee. All meals will be provided and primitive camping is available on-site. Registration is limited to sixteen (16) participants.

There will also be a drawing for a participant to take home one of the canoes built.

For more information or to register, contact Ted or Pat Haviland at 417/932-4363 or tednpat713@gmail.com by **August 10, 2013**.
