Action Needed to Help Streams

Shoal Creek Cleanup

Saturday, June 29, 2013
8:00 a.m. - 1:00 p.m.

Sponsored by Missouri American Water and Aveda, in partnership with the Missouri Department of Conservation and Kansas Department of Wildlife, Parks, and Tourism.

Join us for a float on Shoal Creek from Grand Falls, south of Joplin, to Schermerhorn Park in Galena, KS! Picking up trash along the way, we'll end with a great lunch at the Southeast Kansas Nature Center in Schermerhorn Park.

This event will begin at 8:00 a.m. and conclude at 1:00 p.m. The float is limited to individuals aged 10 and up and **registration is required** prior to the event.

You can bring your own canoe or kayak, or float with the group in canoes provided by the Missouri Department of Conservation. Shuttle service will be provided.

For more information or to register, contact the Wildcat Glades Conservation & Audubon Center at 417/782-6287 or visit wildcatglades.audubon.org.
