Action Needed to Help Streams

Announcing:

Aquatic Entomology Refresher and Scientific Drawing Workshop

Springfield Nature Center – Springfield, MO
January 10, 2009 9:00 a.m.- 4:00 p.m.

Powder Valley Nature Center - ~~Full~~ Parkwood, MO
February 7, 2009 9:00 a.m. - 4:00 p.m.

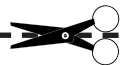

The Stream Team Academy is proud to announce the newest Stream Team training workshop, Aquatic Entomology Refresher and Scientific Drawing. The workshop is an aquatic entomology refresher designed to provide additional training in identification of aquatic insects using a scientific drawing approach.

Only the first fifteen invitees who respond will be accepted in each of the two classes. The class is only offered to volunteers who have completed an Introductory or higher level of Stream Team Water Quality Monitoring training and is on a first-come, first-served basis.

You will use a dissecting scope to study the morphology of some of the more common aquatic insects and learn to draw what you see as a visual aid to assist you in identifying aquatic insects quickly and easily. Students will be provided with a mechanical drawing pencil, special eraser, gridded paper pad, ruler and hand lens to take home. There is a \$25.00 registration fee to cover the cost of supplies and lunch. Sandwiches, chips, water or soda and coffee will be provided for lunch. Special dietary needs should be included with registration form.

Please clip and return the registration form below with check and send to Mark Van Patten at P.O. Box 180 Jefferson City, MO 65102-0180 by December 18, 2008 . You will receive a letter of confirmation that contains detailed information about the class after you register. **Deadline Extended to January 1, 2009**

If you have any questions please call 1-800-781-1989 (voice mail), 573-522-4115 ext. 3892, or e-mail mark.vanpatten@mdc.mo.gov
