

The Volunteer Water Quality Monitoring schedule is now pending.

We hope to have the schedules out by the following dates:

- **Intro Level** schedules are released by early February with workshops held in early spring (March-May)
- **Review Sessions** schedules are released throughout the year. Check back for upcoming sessions in the future.
- **Level 1** schedules are released by early June with workshops held in early fall (September-October).
- **Level 2** schedules are released by early November with workshops held in the winter (January-March).
- **Level 3** audits are by appointment only. (Please contact Wayne Maresch at Wayne.Maresch@dnr.mo.gov to learn more.)
